Dear Friends at US Department of Agriculture,

I am writing to tell you that I support the proposal to change the WIC foods. I look forward to being able to provide fruits, vegetables and whole grain cereals for my family.

Additional Comments: I personally struggle with eating a variety of vegetables and I believe that an \$8 voucher towards fruits and veges would help me do that. I also appreciate the emphasis on whole grains in the proposal. Finally, I really appreciate WIC. It has made a positive impact on both my food choices and my budget.
